Dear Senior Parent,

As a thank you to your son/daughter for doing well on their junior PS&E exams, we will again be allowing them to have open lunch for a month per each subject area that they met or exceeded the state standard. We will be doing the open lunch on Wednesdays during the months of September, October, April and May. Although this is the school's way of showing our appreciation, it is still considered a privilege and can be taken away if their behavior warrants it. They must still adhere to the school rules and policies, they cannot be late, and their leaving and returning to the school's parking lot will be monitored. They will need to sign in and out through the office if they chose to participate in the open lunch. The month(s) that your child has earned through their efforts are indicated below. If you so chose your child to participate in the open lunch, please sign and date where indicated at the bottom of this letter.

Thank you,
